Police Accountability Board Announces Meeting Cancellation

Please be advised that the public Police Accountability Board meeting scheduled for Thursday, March 16, 2023, is canceled due to a lack of quorum.

The PAB has been working tirelessly with Rochester City Council to fill the three vacant seats on the volunteer board to ensure that the work of the agency can continue. After discussions with City Council, the sincere hope and expectation is that the board will be able to welcome new members by the end of the month.

The next regularly scheduled meeting will be held on April 6, 2023, at 6:30 P.M.
