## STATEMENT OF AUTHORITY

Pursuant to Rochester City Charter Article XVIII § 18-1, “The Police Accountability Board (PAB) is an independent office of municipal government and mechanism to investigate such complaints of police misconduct and to review and assess Rochester Police Department (RPD) patterns, practices, policies, and procedures. The Police Accountability Board shall ensure public accountability and transparency over the powers exercised by sworn officers of the Rochester Police Department.”

The Police Accountability Board (PAB) accepts reports related to officer conduct, including alleged misconduct and concerns about the practices, patterns, and policies of the Rochester Police Department. Civilian complaints are analyzed not only for individual violations but also for potential systemic issues within RPD procedures and practices.

In alignment with Article XVIII § 18-11(A), the PAB continues to publish monthly data on the reports received by the Board, including any insights that support broader policy oversight and reform.

## CURRENT SCOPE OF PAB's WORK

As of April 28, 2025, the Police Accountability Board's authority to independently investigate individualized allegations of police misconduct, issue subpoenas, and recommend discipline has been legally revoked. Despite these limitations, the PAB remains fully authorized and committed to:

- Accepting and documenting public complaints
- Reviewing complaints to identify systemic issues
- Conducting oversight investigations focused on policy-level concerns
- Publishing formal Proposals for Change to inform public policy
- Leading citywide community engagement and public education initiatives
- Advancing data transparency and institutional accountability

## SUMMARY OF COMPLAINTS RECEIVED

In October 2025, the Police Accountability Board received 7 complaints submitted through various channels, including the online portal, phone, email, and United States Postal Service. The PAB Hotline was the most frequently used method, accounting for 43% of all submissions.

## METHOD OF COMPLAINT RECEIVED

## Complaint Language

The Police Accountability Board is committed to providing accessible services to all members of the Rochester community. In October 2025, we received 7 complaints in English, none in American Sign Language, and none in Spanish.

## Complaint Category

Each complaint received by the PAB is categorized according to the form of misconduct alleged in the complaint. In the month of October, the category with the greatest number of complaints received was Failure to Act (4), followed by Discourtesy (3), Wrongful Arrest (1), Falsification (1), and “Other” (1).

### COMPLAINTS BY CATEGORY

**Note:** a single complaint can be assigned multiple categories, depending on the substance of the associated incident. For example, a complainant may allege both Discrimination and Use of Force during an interaction with the RPD, as well as recommend a change to RPD policy. In this case, the complaint would be associated with all three categories. As a result, the total number of complaints by category in the table below (10) is greater than the number of complaints received this month (7). For more information regarding complaint categories, please see the definitions at the conclusion of this report.

## Public Tracking Numbers

Each of the 7 complaints received by the Board in the month of October was assigned a Public Tracking Number (PTN), listed in the table on the side.
